Dear Friends,

We are excited to announce that we have started taking registrations for our golf outing to be held Friday June 9th 2017 at The Links at Challedon Golf Club. Please click [HERE](#) to register and/or sponsor this event.

As you may know, the outing represents our primary fundraising event each year. This is our 4th year and we are grateful to those who have supported the event in the past and allowed us to increase the total amount raised each year. We are expecting to sell out again this year, so please sign up soon! And, check out the new Sponsorship opportunities.

The mission of Living In Recovery is to help men and women reclaim their lives and break the cycle of addiction-rehab-relapse by combining affordable housing free of alcohol and drugs with peer support and a climate of personal accountability:

"I may have only been gone a couple days now but I feel the impact the Living In Recovery house has had on me. But living in the LIR house, being told to get a sponsor immediately, do my 90 and 90, having certain rules, chores, curfew, etc....it changed me. It helped me grow up basically and realize what I really am capable of. I grew mentally here more than anything else. I learned patience, sympathy, empathy, open mindedness, as well as learned about my own defects here."

Should you have any questions, contact the board member that sent you this message.

Thank you in advance for your consideration in participating in this worthy cause.

Sincerely,

LIR Board of Directors
