Happy Holidays from Living in Recovery! As we are all thinking about saying goodbye to 2017, I hope that a part of your ritual is an end of the year gift to help others who may not be as fortunate as you. Of course, you want to know your philanthropy makes a difference, and we want to assure you that a gift to LIR does *truly impact lives!* Here is a testimonial from one of our residents who just celebrated one year of sobriety. To protect his anonymity, we are not including his name...

December 16, 2017

Living in Recovery has been key in my process of learning to live a different way. Being in an environment where everyone has been through similar situations and emotions, a place where we all share the same goal of living a new life and a new beginning, has made all the difference this time.

To be the people we were meant to be before we got lost and caught up in the cycle of addiction is our common goal. Without the Guilford house I have no idea how long it would have taken me to get my life together. I feel like I have been able to do that at the age of 30, I know too many who never had that chance.

Living in Recovery has nurtured my growth and led me to a place beyond my wildest dreams!

Sincerely,

LIR Resident
