

# LIVING IN RECOVERY

Dear Friends,

\*\*\*\*\*REMINDER\*\*\*\*\*

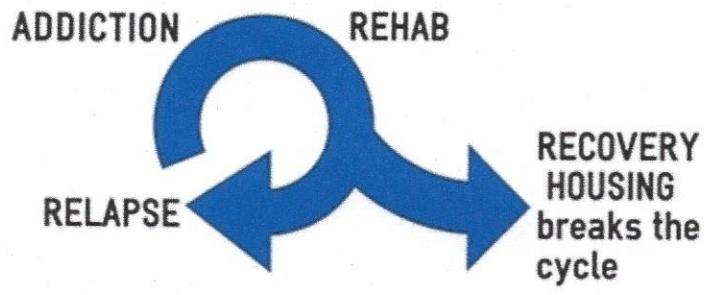

Registrations for players and sponsors are in full swing for the Living In Recovery 5th annual golf outing to be held Friday June 8, 2018 at The Links at Challedon Golf Club in Mount Airy. We are expecting to sell out again so please click [HERE](#) to register and/or sponsor this event.

This event represents our primary fundraising event each year and we are grateful to those who have supported our mission in the past. Living In Recovery helps men and women reclaim their lives and break the cycle of addiction-rehab-relapse by combining affordable housing free of alcohol and drugs with peer support and a climate of personal accountability.

Should you have any questions, contact the board member that sent you this message. Thank you in advance for your consideration in participating in this worthy cause.

Resident Quote:

*"I may have only been here a couple days now but I feel the impact the Living In Recovery house has had on me. But living in the LIR house, being told to get a sponsor immediately, do my 90 and 90, having certain rules, chores, curfew, etc....it changed me. It helped me grow up basically and realize what I really am capable of. I grew mentally here more than anything else. I learned patience, sympathy, empathy, open mindedness, as well as learned about my own defects here."*
